

BIBLE READING PLAN

God's Word has the power to change us to become more like Jesus. This Bible reading plan is designed to help Calvary Students grow to love and engage God's Word in middle school, highschool, and for the rest of their lives. The plan includes six readings each week, options for how much to read and how deeply to study, and a helpful method to use anytime you read the Bible. Talk with your family and friends about what you're learning as you join in on the plan together!!

A few reminders as you use this plan:

- The goal of the plan is growing your relationship with God and people. Rather than focusing on how much you read each day, aim to increase your love for God and his word. Build this habit now and you'll benefit for the rest of your life.
- If you miss a day, simply move on. This will keep you on track with other Calvary Students.
- Use all or some of the questions provided as a guide to help you get more from your reading. As a starting point, you may choose to only read the passage for the day.
- Even if you don't follow the schedule throughout the week, we encourage everyone to read the Saturday Psalm, which is aimed at preparing your heart for the Sunday gathering.

Use the following questions to guide you as you read.

Before reading this passage, pray—*God, I want to know You. Speak to me through Your Word, by Your Spirit, so that I would do whatever You call me to do and go wherever You call me to go.*
